

Antika collection

Composition: Woven polyester and acrylic yarns

The Antika collection offers a distressed, antique look, that is suited to both contemporary and traditional interiors.

The range of six designs take inspiration from Turkish, Egyptian and Persian artisans and history, the subtle colourways and abrash finish give an heirloom feel of age and time.

Sizes: 1.80 x 1.20m, 2.30 x 1.60m, 2.90 x 2.00m, 3.40 x 2.40m, 2.40 x 0.80m

Care instructions: Vacuum regularly, using the nozzle and suction only. Rotating brushes may damage the fibres and the lifespan of your rug. Blot any spills with a clean, dry cloth. Do not rub. We do not recommend to use any harsh detergents. Natural fibres may shed, this will reduce over time, and should not affect your rug's lifespan or performance.
